RUNNING A CLOTHING DRIVE

THE COMPLETE GUIDE

MESSAGE FROM OUR CHIEF EXECUTIVE

Thank you for choosing Smart Works.

Our mission is to help unemployed women regain the confidence they need to succeed at job interviews, return to employment and transform their lives.

Our service harnesses the transformative power of clothes and confidence. When quality clothing is donated to us, it helps us to change the trajectory of another woman's story.

Thanks to your donations, every woman who walks through our doors knows that another woman cares about her and has invested in her future.

Kate Stephens

"IT'S NOT JUST ABOUT DONATING YOUR CLOTHES AND SEEING WHERE THEY LAND, IT IS ABOUT BEING PART OF EACH OTHERS SUCCESS STORIES AS WOMEN"

OUR WARDROBE PHILOSOPHY

Dear Smartworks,

I recently took this bag to an interview for my dream job – and I got it!

Now I've been doing the job for a couple of weeks and am settling in, I think it's time to pass it on to someone else. Hopefully it can bring them the same good luck!

Make sure it goes to a good home :)

OUR WARDROBE GUIDELINES

That one, quality, special item of clothing is far more empowering to our clients than an assortment of poor quality clothing. Unfortunately we can't use anything with holes, rips or stains, tired looking items with bobbles or signs of over-washing, items with an odour, casual clothing, jeans, leggings, sportswear, menswear or fast or poor quality fashion.

We love anything you **would** wear yourself to an interview including:

- Shoes
- Bags
- Dresses
- Skirts
- Trousers
- Blazers
- Outerwear
- Jewellery
- Accessories
- Scarves
